

Privacy Policy

1.This Privacy Notice describes how Hedge Group and its affiliates, Hedge Finance Limited, Hedge Equities Limited, Hedge Commodities Limited and Hedge School of Applied Economics Limited – collect and process your personal information through its websites, devices, products, services, online marketplace and applications that reference this privacy notice.

2.By using Hedge Group services you agree to our use of your personal information with third parties or service providers (including sensitive personal information) with third parties or service providers for the purposes set out in this Privacy Notice.

Third party service providers are bound by privacy restrictions which are similar to the restrictions mentioned in this policy.

-The website may require registration , which may require you to provide your details such as name, email, address, password and other information and may also require you to share your ID and address proof to comply with statutory obligations, wherever necessary.

-The Website uses cookies for a number of purposes- for instance, to enable us to simplify the logging on process for registered users, to help ensure the security and authenticity of registered users, etc. Please note that most Internet browsers will allow you to stop cookies from being stored on your computer and to delete cookies stored on your computer. If you choose to eliminate cookies, the full functionality of the services may be impaired for you.

-If you use a bulletin board, blog or chat room (if any) on the website, you should be aware that any information you submit there can be read, collected or used by other users/visitors and could be used to send you unsolicited messages. The website and company are not responsible for any personal information you choose to submit in these forums. These forums shall be hosted by the website or by our Third Party Service Providers on company's behalf.

-The website is not responsible for any Login ID and password that is used by someone else without your permission.

-While accessing your linked accounts online, the Website uses a combination of firewall barriers, encryption techniques and authentication procedures, among others, to maintain the security of your online session and communicate in a way that is designed to prevent eavesdropping, tampering and message forgery.

The policy is drafted in simple language , if you would require more details on the Information Technology Policy or Security concern, you can contact compliance@hedgeequities.com
